SUMMARY OF OFFENSES AND PROBABLE CAUSE AFFIDAVIT:

On September 11th, 2019 at 8:33 AM, the Consolidated Dispatch Agency received a 911 call reference multiple persons stabbed at 2011 Maryland Cir. The suspect was described as a black male with a beard wearing a Florida Gators shirt. The caller explained █ was hiding and "Antwan" was "stabbing everyone."

Tallahassee Police Officers responded to the business identified as Dyke Industries. They located the suspect near the business where the stabbing occurred. The suspect had on a Florida Gators shirt. A folding pocket knife with a black handle was discovered near the suspect. He was identified as Antwann Brown. Brown had what appeared to be dried blood on his hands, finger nails, and on his shirt.

Officers discovered five victims who were stabbed at the business. All five victims had injuries consistent with being stabbed by a bladed instrument. All five victims were transported to the Tallahassee Memorial Hospital for medical treatment. Investigators D. Covan and K. Isaacs would go to the hospital and conduct video recorded interviews with the victims.

A crime scene was established around the business and the location where the suspect was apprehended. Forensic Technicians responded to the business to document the scene and process/collect evidence. Officers and investigators responded to the business and conducted multiple witness interviews. I responded to the business to examine the crime scene. The business is composed of an office area, a warehouse area, and a loading dock area.

Crime Scene

I entered the office area and immediately observed the presence of suspected blood throughout the area. There were areas where the suspected blood was closely pooled together. I observed suspected blood droplets which created a trail, evidence of movement by a victim after sustaining injury. I followed the suspected blood trails from the office area into the warehouse area. Additional pools of suspected blood were discovered as well as additional suspected blood trails.

I walked from the business to the location where suspect Brown was apprehended. I observed the pocket style folding knife in the area. The blade on the knife was serrated and the knife had a black handle. I learned from the apprehending officers suspect Brown kicked at one of the officers during his arrest.

Suspect Interview

Suspect Brown was transported to the Tallahassee Police Department for an interview. The interview was video recorded. Investigator D. Copelin and I conducted the interview. We spoke with Brown about his

family, mental health, and his employment history.

Brown was advised his Miranda Rights which he waived.

F.S 119.071(2)(e)

F.S 119.071(2)(e)

F.S 119.071(2)(e)

During the interview, I noticed the presence of suspected blood beneath Brown's fingernails. F.S 119.071(2)(e)

I observed suspected blood stains on Brown's shirt. Brown's clothing was collected as evidence.

While Investigator Copelin and I interviewed Brown, additional investigators conducted interviews with witnesses to the attack. Brown was an employee of the business where the attack occurred and was known by name by the witnesses and victims who worked there. All of the interviews were video recorded.

Witness Interviews

Witness I. Cuyler (Duke) said he gave Brown a ride to work. Cuyler said on the way, Brown was in good spirits and they spoke about sports. During the attack, he observed Brown strike victim Fla. Con. Article 1 § 16 who was determined to be an applicant not yet employed by the business. The attack occurred outside the office area.

Witness E. Rogers provided background to the stabbing. Rogers was Browns' supervisor and spoke with another supervisor in a coded manner about needing to terminate Brown. Brown approached Rogers and confronted him. The confrontation escalated and Brown indexed his pocket. Rogers was afraid Brown would retrieve a weapon, so he armed himself with a piece of wood. Rogers ordered Brown to clock out and leave the business. This occurred before the attack.

Witness D. Harris called the Consolidated Dispatch Agency to report his concern for Brown's pending actions.

Witness L. Fitzgerald was in the office when the attack occurred. She witnessed Brown enter the office and attack the victims. She did not realized Brown was armed with a knife but observed a large amount of blood. She detailed the attack.

Witness D. Banaitis was informed by witness Rogers he sent Brown home. Banaitis was in the general office area and witnessed Brown's attack as described by other witnesses.

Witness C. Smith was positioned at her desk inside the general office area. She explained before the attack occurred Brown requested to use the phone but was refused as it was being used. After Brown was refused, he walked out of the office area. Smith observed Brown return inside. Smith witnessed Brown attack the victims inside the general office area.

Witness L. Philips observed Brown in the office area where he asked to use the phone. After being refused, Brown walked outside. Philips heard the attack outside (victim [REDACTED] Fla. Con. Article 1 § 16) followed by Brown's return into the office area. Philips witnessed the attack in the office where four of the five victims who sustained lacerations were stabbed.

Based on the attack and the injuries sustained, Brown's intent of his attack was to cause great bodily harm and death to the victims he stabbed.

Summary

In summary, Brown was employed by the business Dyke Industries. It was learned the business management considered terminating Brown. Brown became aware of his potential termination and confronted business management. Brown told to clock out and leave after a verbal argument. Brown left the business, walked across the street where he called his pastor. During the call, Brown begged Pastor Harris to pray for him and to forgive him. This is evidence of Brown's intent to return and attempt to murder the victims inside the business. After the call concluded, Brown returned to the business where he stabbed one victim who was outside the business and unknown to him. Inside the business Brown stabbed four additional victims and assaulted a fifth victim.

Based on the facts and circumstances, there is Probable Cause to support suspect Brown attempted to murder his victims and the attempts were premeditated. This is supported by his phone call to his pastor which occurred moments before he returned to the business and began his attack. Brown is being charged with five counts of Attempted First Degree Murder pursuant to FSS: 782.04(1)(a)(1).

There is also Probable Cause to charge Brown with one count of Aggravated Assault with a Deadly Weapon pursuant to FSS: 784.021(1)(a). Victim [REDACTED] Fla. Con. Article 1 § 16 was on the phone with 911 when Brown cornered [REDACTED] in the office after stabbing multiple victims. Brown pointed the knife at [REDACTED] Fla. Con. Article 1 § 1 who begged him not to kill [REDACTED].

On September 11th, 2019, ASA J. Fuchs approved the probable cause developed in this investigation for prosecution.
